

Dear Business Owner:

Capital Access Project's business certification website, **CertAssist.net** is designed to provide a central location for business owners to learn about and apply for local, state, federal and private sector business certifications available to Louisiana businesses.

Through **CertAssist.net**, you can download certification applications or link to the websites of certifying agencies. If you would like to become certified with the City of New Orleans you can watch our flash presentation, "*How to Complete the City of New Orleans SLDBE Certification Application*," and download and complete the PDF fill-in certification application.

In addition to providing information on business certifications through **CertAssist.net**, Capital Access Project also provides assistance with completing certification applications and we are available to conduct our award-winning seminar, "*Success through Certifications*," for your group or organization.

To schedule an appointment or certification seminar, contact us at (504) 821-4855.

**CertAssist.net** includes applications or links to:

- New Orleans SLDBE Certification
- Hudson Initiative Certification
- Small and Emerging Business Development Certification
- Louisiana Unified Certification (U.S. Department of Transportation)
- U.S. Small Business Administration's 8(a) Certification
- Housing Authority of New Orleans DBE Certification
- Louisiana Minority Supplier Development Council MBE Certification
- Women's Business Council- Gulf Coast WBE Certification
- U.S. Small Business Administration's HUBZone Certification
- Louisiana Procurement Technical Assistance Center
- Access Louisiana
- Central Contractor Registration
- Dun & Bradstreet
- Federal Business Opportunities
- Opportunity Links: Includes a list of over 1,000 corporations with supplier diversity programs and more
